DAY 03 · SUNDAY

Desert dawn & a living local market

Every departure is timed so Day 3 falls on Sunday, when the regional market is at its most animated.

SUNRISE · DESERT ACTIVITY · SUNDAY MARKET · KASHGAR

Watch the desert change colour at sunrise, then enjoy time for sand walks and light activities. After breakfast, continue to a lively Sunday market—an unfiltered glimpse of trade, food and everyday life—before returning to Kashgar.

WHY SUNDAY MATTERS

The market is not staged for visitors. Its energy comes from the weekly rhythm of local communities, making this one of the most human and memorable moments of the route.
